THE UNIVERSITY OF ARIZONA®

## STATEMENT ON HAZING

The University of Arizona Office of Fraternity & Sorority Programs and our individual chapters stand firm in our conviction and refusal to tolerate hazing activities practiced by new members, active members, or alumni of any recognized University organization in any form. Whatever shape it takes, hazing subverts and corrupts the true Greek experience. In its more extreme forms, hazing risks human lives, brutalizes everyone involved and jeopardizes the very existence of the entire Greek community.

Prevention of hazing is the responsibility of every member of the University community. Each organization, as well as each individual, must accept the personal obligation to uphold the basic community values of being just, civil and respectful of the rights of others.

In order to ensure the safe and fair treatment of all members of The University of Arizona communities, resources are available to assist in the timely reporting of hazing incidents. Any suspected act of hazing can be reported anonymously through a 24-hour phone service at (520) 626-HAZE (4293).

## WELCOME TO THE WILDCAT FAMILY!

On behalf of the Office of Fraternity & Sorority Programs and the University of Arizona, welcome to campus! As an undergraduate, joining a sorority was one of the best decisions I made. Today, as a student affairs professional, I have the pleasure of continuing my passion for Greek life by working with the UA Greek community.

Becoming part of a fraternity or sorority offers one of the most dynamic and memorable experiences available to you as a college student. As a member in one of our 56 organizations you will be able to take advantage of the benefits of our community. Greek life members participate in leadership development programs, philanthropies and

athletic competitions. We hope that as a student at The University of Arizona, you consider being a part of Greek traditions.

Since 1915, UA fraternity and sorority life has remained a vibrant and respected part of campus. Becoming a member of this long standing community will give you the chance to make your mark on campus. I wish you all the best as you start your educational journey.

# ACADEMICS

## WHY GO GREEK?

Since the founding of the first fraternity in 1776, fraternities and sororities have helped college students throughout North America develop strong networks of support on campus and beyond. Joining a fraternity or sorority will enhance your collegiate experience by providing support and resources to help your academic, leadership, and social development.

Research shows that students who develop a sense of belonging and a connection with their college community are more likely to graduate from college. Joining the Greek community is an excellent way to make that connection and find your place at The University of Arizona. Over 3,000 students are members of the fraternities and sororities at the UA.

Our diverse fraternity and sorority community includes an array of organizations that meet the changing needs of today's college students. Whether you are interested in a traditional social organization, one with an emphasis on culture, or a strong community service focus, you will find what you are searching for.

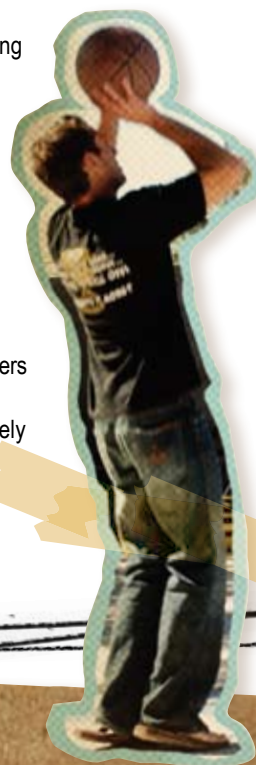

Gamma Sigma Alpha is the premier national academic honorary for Greeks. We are proud to have the Epsilon Xi chapter of this prestigious honorary at The University of Arizona. Membership is limited to the most academically successful Greeks. In order to be eligible for membership, a student must be of junior standing and have a minimum 3.5 cumulative GPA. Gamma Sigma Alpha focuses on recognizing fraternity and sorority students who attain academic excellence and providing them with opportunities to cultivate leadership skills, enrich their academic experiences, and network with other outstanding Greek students and faculty. This honorary also recognizes

## SCHOLARSHIP

Fraternities and sororities offer many resources and programs to enhance the academic experience for their members. Minimum grade point averages are required in each chapter for affiliation, initiation and maintenance of good standing.

This support comes in many forms. Study tables offer members an opportunity to study in a quiet and cooperative environment. Major matching allows members sharing majors or classes to study together or tutor each other. Incentive programs recognize members for their academic achievement and scholastic effort. Several of our chapters participate in the Faculty Fellows program sponsored by the Dean of Students Office, giving members an opportunity to develop critical relationships with faculty members outside the classroom. Our academic efforts are self-evident, as approximately ten percent of fraternity and sorority members were on the Dean's List in Fall 2007.

outstanding faculty members on campus and participates in philanthropic activities.

## ORDER OF OMEGA

The UA's Gamma Delta chapter of the Order of Omega is part of the national leadership honorary that recognizes fraternity and sorority members for demonstrating exemplary leadership, service and citizenship. The local chapter annually hosts an Advisor Appreciation Reception, Greek Awards, Greek-or-Treat and regular community service projects on campus. The Order of Omega also provides both scholarship and fellowship opportunities.

# EXPECTATIONS

The greek community at The University of Arizona has had a long and rich history, dating back to 1915. Since that time, fraternities and sororities have had a continual and active presence on campus.

The University is supportive of the goals and ideals of the fraternity and sorority community, which are expressed in the four pillars: academic achievement, leadership, service, and citizenship. When partnered with The University of Arizona mission statement, "To discover, educate, serve and inspire," the goals become a powerful force driving community activities.

Although the University and the Greek system have been mutually supportive over the past hundred years, the Fraternity & Sorority Programs Staff and The University of Arizona have re-committed themselves to the success of Greek life and their members by developing a new Standards of Excellence program. These Standards will not only serve as an achievement benchmark for both chapters and individuals, but will also assist in the redevelopment of any organization falling behind.

The Greek Life Task Force was called together in 2003 to develop a strategic plan for The University of Arizona Greek Community. The Task Force recommendations are intended to advance the development of Greek-letter fraternities and sororities and their individual members. The Task Force developed specific recommendations for minimum standards for Greek letter organizations at the University. From these recommendations, the following expectations were developed. These "Standards of Excellence" provide more detailed requirements that are expected of chapters.

## **EXPECTATIONS OF FRATERNITY/SORORITY CHAPTERS AND GREEK STUDENTS:**

- Each chapter is expected to have a minimum average GPA of a 2.75.
- Each chapter is expected to follow all federal, state, university, and inter/national/local organization laws and policies.
- Each chapter is expected to send a minimum of 50% of chapter membership to CATwalk each year. CATwalk will be on November 15, 2008.

- Each chapter member is expected to complete a minimum of 5 community service hours each semester.
- Each new member of a fraternity or sorority is expected to attend New Member Symposium during their first semester of membership on the following dates:

### **Members of Panhellenic Council Chapters**

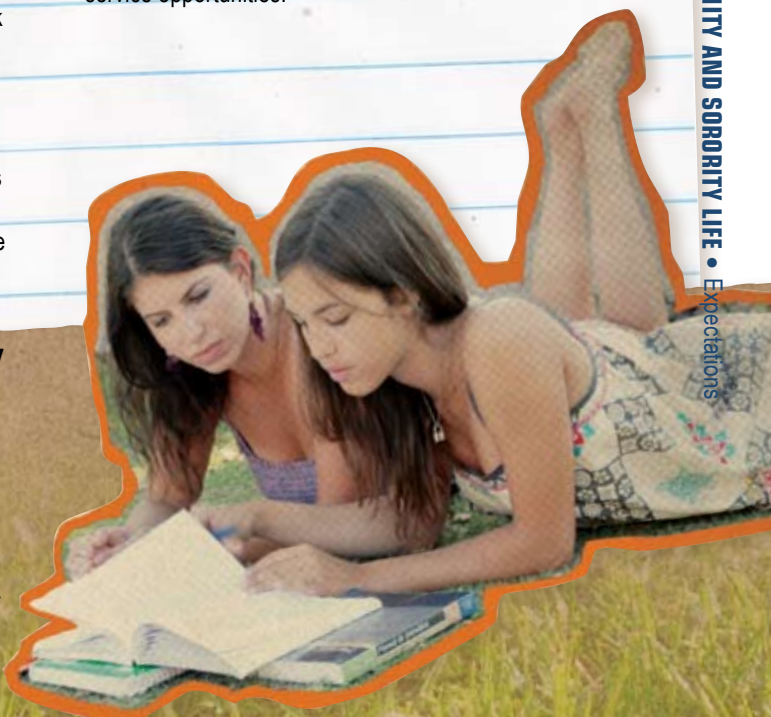

September 21, 2008

### **Members of IFC Fraternity Chapters**

September 21, 2008

### **Members of USFC and NPHC Chapters TBA**

- Each chapter member is expected to exemplify the Greek Values of Leadership, Scholarship, Service, and Friendship.
- Each chapter and chapter member is expected to uphold the UA Greek Standards of Excellence and the Greek Community Standards.
- Each chapter member is expected to adhere to the UA Code of Conduct.
- Each chapter member is expected to participate in UA and Tucson community leadership and service opportunities.

# LEADERSHIP AND INVOLVEMENT

Fraternity & Sorority Programs provide an excellent place to gain the experience and knowledge necessary to develop strong leadership skills. The Greek community at the UA is self-governing, giving student leaders the opportunity to shape policies and standards for their own organizations as well as the wider fraternity and sorority community. Serving as an officer or committee chair in a chapter, honorary, or governing council will help an individual develop a multitude of leadership skills, including but not limited to conflict management, delegation, decision making, and effective communication skills.

Being a member of a fraternity or sorority provides a conduit for involvement in other areas of campus such as student government, clubs, organizations, and campus honoraries. Past Greeks hold some of the highest leadership positions and honors on campus, including student body president and Homecoming King and Queen. Nationally, our chapters provide opportunities for members to attend regional and national leadership training conferences.

## ADVOCATES FOR NATIONAL GREEK LEADERSHIP AND EDUCATION (ANGLE)

ANGLE is a peer education organization of fraternity and sorority members from The University of Arizona Greek community. ANGLE peer educators are trained through an academic course where they learn about presentation and facilitation skills, as well as questions facing today's college students. These peer educators then present, facilitate, and educate fraternity and sorority members on these points through forums such as the New Member Symposium and GREAT Greek Weekend.

## PANHELLENIC RECRUITMENT COUNSELOR

Panhellenic Recruitment Counselors are sorority members who volunteer their time to help Potential New Members during Formal Fall Membership Recruitment. These women participate in a semester-long training program in which they learn to assist women with their transition to the UA, getting involved, and understanding the logistics of the Sorority Membership Recruitment Process.

## GREAT GREEK WEEKEND

GREAT Greek Weekend is a leadership retreat for emerging leaders (typically freshmen and sophomores) that will prepare them for future challenges. This retreat combines team building and experiential learning with opportunities to interact with fraternity and sorority members from other chapters while examining local and national Greek topics and trends.

## PRESIDENT & ADVISOR SUMMIT

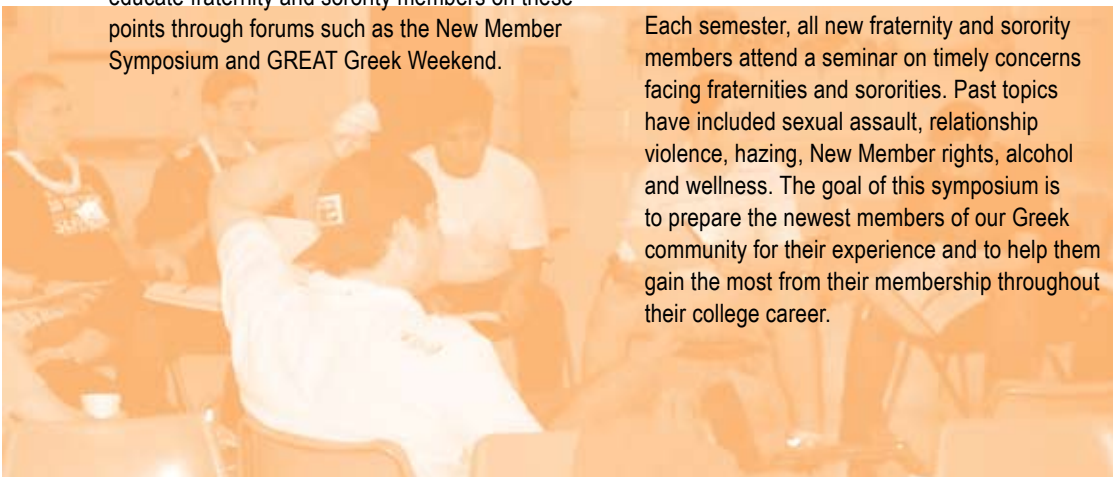

Each January, Fraternity & Sorority Programs and the four governing councils provide a half-day training session for all new officers and advisors. The training provides an overview of Fraternity & Sorority Programs and University policies, including hazing, while working specifically with each governing council.

## NEW MEMBER SYMPOSIUM

Each semester, all new fraternity and sorority members attend a seminar on timely concerns facing fraternities and sororities. Past topics have included sexual assault, relationship violence, hazing, New Member rights, alcohol and wellness. The goal of this symposium is to prepare the newest members of our Greek community for their experience and to help them gain the most from their membership throughout their college career.

# BROTHERHOOD/SISTERHOOD

Throughout the college experience at The University of Arizona, the friendships that our members make within their chapters last a lifetime. Whether you come to college with or without friends, the opportunity to become part of a fraternity or sorority transcends the typical. Brotherhood and Sisterhood are bonds of unity and enduring friendship. These bonds reach not only between members within each chapter, but also among chapters throughout the nation, as each organization shares history

and founding ideals. By becoming a member of the UA fraternity and sorority community, you will experience an easier transition from high school to college and gain a "home away from home." You will be in the perfect position to meet other students with diverse backgrounds, similar interests, and new perspectives during some of the brotherhood and sisterhood activities such as camping trips, bowling nights and pool parties.

# SOCIAL DEVELOPMENT AND SPECIAL EVENTS

Wildcats know that the best college experience has a balance of academic rigor, community involvement and social activities. Joining a fraternity or sorority will offer you the most extensive social network possible on the UA campus. Being Greek gives you the opportunity to meet new friends through participation in events like Greek Week, chapter philanthropies, and more. Our community prides itself on the ability to help fraternity men and sorority women develop socially and learn how to have fun in a safe environment through a variety of programs such as GAMMA (Greeks Advocating the Mature Management of Alcohol), the Hunter White Health Advocacy Program, the Sorority Normative Messaging program, and BASICS (Brief Alcohol Screening and Intervention for College Students).

**Homecoming:** Each year, thousands of University alumni return to their Alma Mater for homecoming festivities. Sororities and fraternities work together to build floats, host alumni events, and attend the football game to root for our Wildcats. This is an excellent opportunity to meet alumni from your chapter and find out how being Greek helped them in their life after college.

**Spring Fling** is the largest student-run carnival in the nation, and the Greek community plays a pivotal role in this event every year. Greek organizations work together to host food, drink, and entertainment booths. Members of the University and Tucson communities enjoy the four days of sun, fun, laughter, and thrills of a great carnival.

**Greeks Advocating the Mature Management of Alcohol (GAMMA)** is the student party management policy arm of the member fraternities and sororities of IFC, NPHC, Panhellenic, and USFC. This organization upholds campus and University policies by working both with chapters and Risk Management to promote the safe and responsible use of alcohol at Greek functions. Members of

GAMMA are responsible for helping chapters comply with regulations at social events. The group meets monthly to coordinate ongoing chapter education and social chair training.

**Greek Week** shouts, "It's great to be Greek!" The Greek community participates in fun activities and service events to show the University what it means to be Greek. Chapters form teams that promote fraternity and sorority unity and allow members from across campus to meet and bond. Greek Week is an exciting opportunity to raise funds for a local cause, enjoy teamwork, and show the campus community what being Greek is all about! Just a few of the activities are Penny Wars, Air Band, Greek Family Feud and Greek Olympics.

# COMMUNITY SERVICE

UA Fraternity and Sorority Members take service to others to heart through philanthropic and community service endeavors. In addition to CATwalk, each chapter holds annual fundraisers for their local or national philanthropies. Our chapters also give back to the local Tucson community with their time and energy to organizations such as Big Brothers Big

Sisters, Habitat for Humanity, March of Dimes, Race for the Cure, Special Olympics, Ronald McDonald, Tucson Community Food Bank, Casa de los Niños, and the Brewster Center for Women & Children. Fraternity and sorority members are expected to complete a minimum of five community service hours each semester.

## UP 'TIL DAWN

**Up 'til Dawn** is a student-led and run philanthropic program to raise awareness and funds to help St. Jude Children's Research Hospital in Memphis, Tennessee, which treats children with cancer from all over the world— free of charge. St. Jude costs more than \$1.1 million per day to operate, and programs such as Up 'til Dawn help it to operate and maintain high research standards. The UA Fraternity & Sorority community is proud to join the more than 180 colleges nationwide in the Up 'til Dawn effort.

We invite the whole UA student community to participate! The night starts out with teams of

students writing at least 50 letters each to friends and family asking for donations. Then we celebrate our efforts the rest of the night with entertainment, food, games, and prizes. We stay up all night to honor the parents who stay "up 'til dawn" to comfort their sick children.

In spring 2008, students wrote over 5,000 letters and raised nearly \$20,000 for St. Jude Children's Research Hospital. The UA Greek students will continue leading this effort to help save the lives of children suffering from cancers and other diseases. Join us in Spring 2009!

## CATWALK

CATwalk is the premier public philanthropic event created by the fraternity and sorority community at The University of Arizona to benefit the Bobbi Olson Fund for women's cancer research, education and prevention at the Arizona Cancer Center.

### HELP US FIND A CURE!

A key Greek value is philanthropy and service to the community. CATwalk is a community-wide event that celebrates this value that Greeks hold dear. Give back while showing solidarity and help to fight for a cure for all women's cancers by walking, jogging, running, racing or organizing the 8th annual CATwalk, November 15, 2008. The Greek and local Tucson communities have donated more than \$250,000 through CATwalk to support the Arizona Cancer Center. This is a time for us to unite with other members of the UA and Tucson Community to support the Olson's in their search for a cure!

### HISTORY

On January 1, 2001, Bobbi Olson, wife of UA men's basketball coach Lute Olson, succumbed to a two-and-a-half year battle with ovarian cancer. Bobbi's loss was devastating to her family, the UA Community, and the city of Tucson. Subsequently, the Olson family established an endowment in Bobbi's name to support research for the prevention and cure of ovarian cancer. For the past seven years, the members of the UA greek-letter community spent countless time and effort raising funds to ensure that this endowment is fully funded. CATwalk drew over \$130,000 in support last year and we hope to increase this support to \$150,000 at the eighth annual CATwalk on November 15, 2008.

### 2007 SPONSORS:

Casino del Sol • Alltel Wireless • KGUN 9 • Lipton  
Marshall Foundation • Papa John's Pizza  
S.W. Jack • Main Gate Square

# A LEGACY OF OUR OWN

Thy colors Red and Blue. Stand as a symbol of  
All hail, Arizona

To thee we'll ever be true.

A strong Fraternity and Sorority community reinforces the University's strength. For decades, members of our community have made a commitment to our campus with their stewardship of the institution. Greek Alumni and students dedicate a large amount of time, energy, and financial support to The University of Arizona. The tradition of leadership plays a crucial role in making the UA what it is today. The UA Greek community continues to be a leader in the fraternal world and has developed a proactive cutting edge program for our community. The Legacy Program will be the model for other Greek communities around the country by addressing the issues facing today's college students.

Students entering our community will experience the Arizona Legacy Program, which addresses five key areas: Academics, Leadership Development, Health & Wellness, Advisory Support, and Diversity. By partnering with our campus constituents we will have the opportunity to fully engage fraternity and sorority students positively and develop committed citizens.

Member who choose to participate in various aspects of the program can have it charged to their bursar's account. Additional information is available from Johanne Jensen, Director of Fraternity & Sorority Programs.

**We anticipate implementation of this program in Spring 2008 and its continuation throughout your college career. This pioneer program will enhance your collegiate experience, as well as the larger Greek and University of Arizona communities.**

## THE ARISTOTLE

This program provides each new member with a personalized academic plan, which includes strategic learning techniques designed to improve academic success.

## THE PARTHENON

A leadership curriculum designed to prepare UA Greek students to lead in a global society.

## THE OLYMPIAN

The Hunter White Health Advocacy Program empowers individual responsibility and advances the creation of a healthy community by embracing healthy life choices.

## THE ORACLE

Oracle is a system-wide advisory board that supports the Greek community's mission and chapter achievement.

## THE MILLENNIAL

This program provides a blueprint for action to broaden diversity in the Greek community and develop open and accessible agents of change.

08

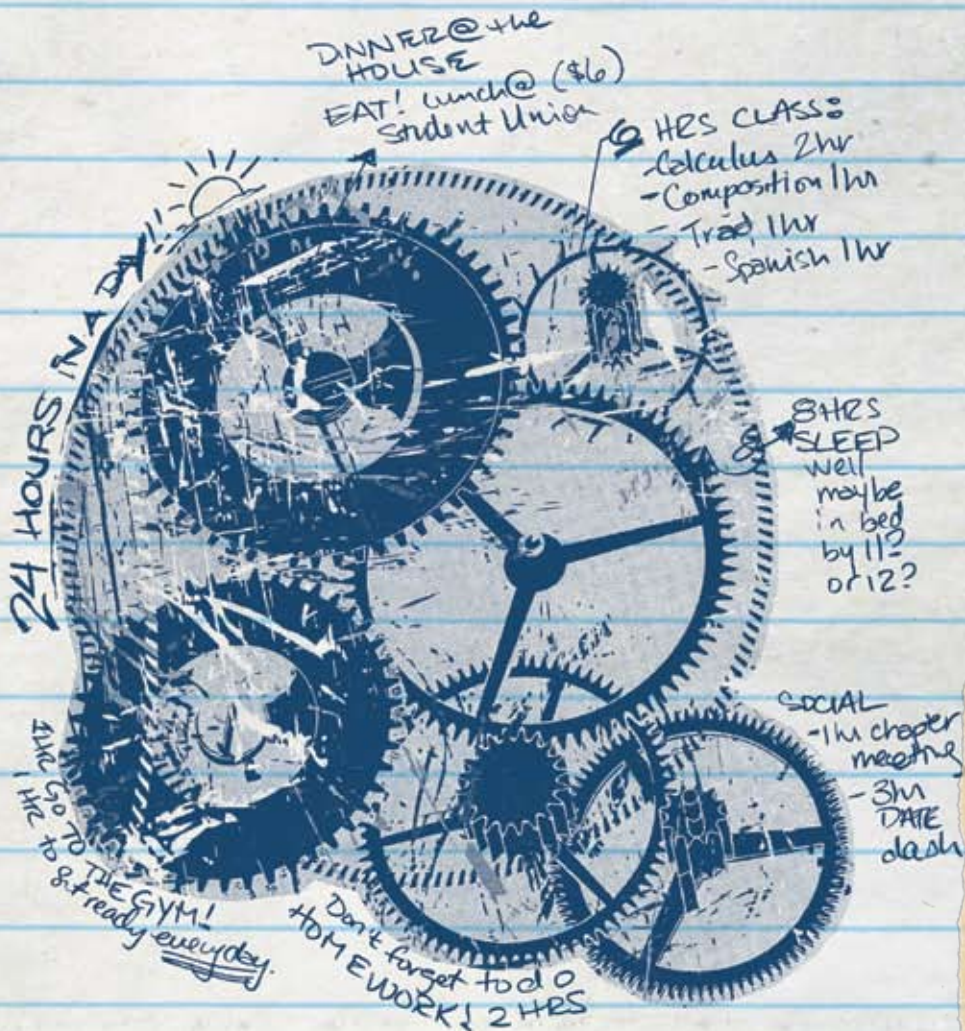

FRATERNITY AND SORORITY LIFE • A Legacy of Our Own

# ARISTOTLE

The University of Arizona Office of Fraternity & Sorority Programs has undertaken some new initiatives that address key issues that Greek students face on college campuses around the nation. The first issue is academics. By creating a partnership with the award-winning University of Arizona SALT Center, FSP implemented the Aristotle academic program in 2007. Aristotle is an eight session academic program designed to provide Greek students with new learning and study techniques to improve their academic success. The curriculum and sessions cover key topics ranging from broad issues like goal setting, time management, and coping with anxiety, to specific challenges such as exam preparation, test taking, reading, writing, and math.

Over the course of the Aristotle pilot program in the 2007-2008 fall and spring semesters, participants became more aware of their learning environment and improved in many areas. Results included increases in student motivation, diligence, self-discipline, knowledge acquisition, class and test preparation, test taking, willingness to work hard, and decreases in anxiety related to school performance. In addition, participating students' grades significantly increased. Due to interest and success, a full-scale launch of the Aristotle academic program is slated for the fall 2008 semester.

We are excited for you join the Aristotle program and make a commitment to academic excellence!

# DEFINITIONS

**Active:** A member who has been initiated into lifelong fraternity or sorority membership and is active at the collegiate level.

**Alumni/Alumnae:** Initiated fraternity or sorority members who have graduated from college.

**Badge:** The pin of an initiated member.

**Bid:** A formal invitation to join a particular fraternity or sorority.

**Big Brother or Sister:** An active member of a fraternity or sorority who serves as a mentor to a New Member, guiding them through their New Member program and initiation.

**Brother:** A term used by fraternity members to refer to one another.

**Chapter:** A local group of a larger national organization, designated by a special Greek name.

**Depledge:** To terminate one's fraternity or sorority membership before initiation; those who depledge a fraternity or sorority may not pledge another fraternity or sorority until the next formal recruitment period.

**Disaffiliated:** A member who has temporarily removed his or her association from her Chapter.

**Fraternity:** The name that applies to all Greek letter organizations characterized by a ritual, pin, and strong ties to friendship and moral principles. Informally, women's fraternities are called sororities.

**Greek:** Any member of a Greek-letter social or community service organization (sorority or fraternity).

**House Director/House Mom:** A person hired by the housing corporation board to live in the chapter house and supervise the day-to-day activities of the live-in members.

**Initiation:** The formal ceremony that marks the beginning of active membership. Each chapter has a different set of requirements in order to be initiated.

**Interfraternity Council (IFC):** The governing body of fraternities at the University of Arizona. IFC operates under the affiliation requirements of the North American Interfraternity Conference (NIC).

**International/National Headquarters:** The central organization of a particular fraternity or sorority.

**Initiated Member:** Any member who has completed the New Member process, has gone through the initiation ceremony, and is currently enrolled in college.

**Intake:** The process NPHC chapters perform to recruit, interview, and choose New Members.

**Intramural:** Athletic programs administered by the Campus Recreation Center in which members from different chapters form teams and participate in sporting matches.

**Legacy:** The brother or sister, son or daughter, grandson or granddaughter of a fraternity or sorority member. Each local chapter has its own policy regarding legacies. Being a legacy does NOT mean automatic membership into that chapter.

**Membership Recruitment/Rush:** The process of mutual selection between a prospective member & active chapter.

**NALFO (National Association of Latino Fraternal Organizations):** is an umbrella council for Latino Greek Letter Organizations. The purpose of NALFO is to promote and foster positive interfraternal relations, communication, and development of all Latino Fraternal organizations through mutual respect, leadership, honesty, professionalism and education.

**NIC (North American Interfraternity Conference):** Governing body for 66 national member men's fraternities and alumni associations.

**NPC (National Panhellenic Conference):** An umbrella organization for 26 inter/ national women's fraternities and sororities. Each member group is autonomous as a social, Greek-letter society of college women and alumnae.

**NPHC (National Pan-Hellenic Council):** A national organization composed of four sororities and five fraternities whose membership is historically African-American.

**New Member:** A member of a fraternity or sorority who has not been initiated.

**New Member Program:** New Members learn the history, ideals and values of fraternity and sorority life. The time frame of the New Member Program varies for each chapter.

**Panhellenic:** Meaning "All Greek," it is a governing council for 15 sororities at the University of Arizona; it is the collegiate counterpart of NPC.

**Philanthropy:** A charitable fundraiser sponsored by a fraternity or sorority.

**Potential New Member:** A college woman who is participating in Formal Membership Recruitment.

**Preference Night:** During the last part of Sorority Recruitment, a Potential New Member will visit up to three chapters and indicate her preferences.

**Recommendation (Rec):** A personal letter of reference provided by an alumna of a national sorority to the local chapter of her sorority. Letters of recommendation do NOT guarantee a bid from any sorority.

**USFC (United Sorority & Fraternity Council):** Emerging from the Multicultural Greek Caucus, the USFC is a council geared toward serving the needs of smaller fraternity and sorority chapters.

# Alumni

## A LIFETIME OF OPPORTUNITIES

Joining a fraternity or sorority will not only benefit your collegiate experience, but also the rest of your life, as membership in your organization is for a lifetime! Upon graduation, the world will be brimming with opportunities for you. Some of these opportunities include being involved with your organization through volunteering to work with collegiate branches as a chapter advisor or national officer as well as being active in a local alumni chapter.

Alumni chapters for fraternities and sororities are active all over the country, and even the world! These chapters are geographically based and made up of members who attended different colleges throughout North America, but have one very important commonality: they are members of the same fraternity or sorority. These chapters will be a valuable resource to you as you embark on your post-college life—providing support wherever you may end up. And no matter where you go after

college, your fraternity or sorority at The University of Arizona will always be your home away from home, especially at Homecoming!

We are proud of the many outstanding individuals who have not only been members of The University of Arizona community, but fellow Greeks as well. Each year we recognize an outstanding Greek alumnus at the Annual Greek Awards Ceremony with the Order of Omega Hall of Fame award.

Past recipients of this honor include Senator Barry Goldwater, Senator Doug Holsclaw, Swede Johnson, Paula Van Ness, and Edith Auslander, Vice President and Senior Associate to the President of the University of Arizona Melissa Vito and Dean of Students Carol Thompson.

# FAMILY GUIDE

Welcome to Greek Life at The University of Arizona! Your student has many opportunities for involvement here, and we're pleased that he or she is considering fraternity or sorority membership. By joining a Greek chapter, your student will be joining hundreds of other new members on our campus in search of leadership opportunities, community involvement, and life-long friendships. The fraternity or sorority experience enhances the challenges and rewards of college life. Simply put, Greek Life adds a dimension to college experience that can't be found in other organizations. Greek life has a rich history on campus and is one of our most enduring traditions. UA fraternity and sorority members hold high academic standards, volunteer regularly, develop and strengthen leadership skills, create a support network, and nurture long-lasting friendships.

## HELPFUL HINTS

- Be supportive of your student's choice to join a fraternity or sorority, and with the organization he or she chooses.
- Remember that this is your student's choice, and he or she should choose the chapter that feels right, regardless of legacies or family history.
- Ask for details about the financial aspects of membership.

- If you have a question about fraternity or sorority life, go to the source and ask the UA Fraternity & Sorority Program (FSP) staff. Don't buy into gossip or hearsay.
- Encourage your student to attend programs sponsored by FSP and the Center for Student Involvement & Leadership (CSIL).
- Know the names and phone numbers of the chapter president, new member educator, big brother/big sister, chapter advisor, and house director (if applicable), once your student has joined an organization.
- Talk with your student! Phone calls, e-mails, letters, and care packages are always appreciated.
- Expect to see new t-shirts, photos, and other Greek-letter paraphernalia.
- Encourage your student to be a part of the UA community and take advantage of our numerous resources.
- Attend UA Family Weekend on October 3rd-5th and visit the fraternity and sorority chapter house and family activities.

## SAFETY

The University of Arizona Office of Fraternity & Sorority Programs is dedicated to ensuring the safety of all the members of the Greek Community. In order to educate members on safety issues, each bid day students are given information on topics such as campus safety, sexual assault prevention, and alcohol education. Students are again educated on these issues at New Member Symposium, a program sponsored by each of the four governing councils. Each chapter is also assigned a UAPD liaison who can give presentations and act as an educational resource. Chapters are also required to have a chapter member serve as the health advocate, providing members with information about wellness and safety issues. Of course the Office of Fraternity & Sorority Programs acts as a resource for chapters

and members by conducting educational presentations, and are on call for any chapter issues and run the hazing hotline 626-HAZE.

# ...TO GOING GREEK

**Q: What are the costs associated with joining a fraternity or sorority?**

A: For **Interfraternity Council** fraternities, one-time expenses are the new member and/or the initiation fee. Recurring expenses include: chapter dues, national fees, social fees and risk management insurance. For organizations with houses, room and board (if living in a chapter facility) may also apply. See pages 36–37.

For **Panhellenic** sororities, see page 19.

For **NPHC** organizations, the expenses paid upon initiation may include the new member and/or initiation fee, pin fee, national, regional, and local dues. The yearly expenses may include national, regional and local dues and risk management insurance.

For **USFC** chapters, the totals vary greatly. Encourage your student to inquire about each organization's specific fees, see page 31.

**Q: When can my student join a fraternity or sorority?**

A: See the schedules for each council on their opening pages of this booklet. The most up-to-date information is always on the Fraternity & Sorority Programs web site: [www.union.arizona.edu/greek](http://www.union.arizona.edu/greek)

**Q: Can my student live in the chapter house as a new member?**

A: New members are not guaranteed housing on fraternity or sorority property. After the first year at

the University, and once your student is an initiated member, each organization with a house will make rooms available according to their own processes.

**Q: What is the University's stance on alcohol and drug abuse?**

A: The University of Arizona recognizes that the use of alcoholic beverages by those of legal age is a matter of personal choice. The University requires that those who choose to drink on University property abide by state law and University regulations, and expects that such individuals will conduct themselves responsibly, mindful of the rights of others.

**Q: How can I find out what organizations are/have been on probationary periods?**

A: To view the disciplinary status of particular organizations, visit [www.union.arizona.edu/greek](http://www.union.arizona.edu/greek). If an organization is not listed on this site, the university does not recognize it. The Office of Fraternity & Sorority Programs and The University of Arizona do not administer organizations that are not recognized by the Center for Student Involvement & Leadership.

**Q: What is the University's stance on hazing?**

A: The UA seeks to promote a safe environment in which students may participate without compromising their health, safety or welfare. For more information, see the inside front cover.
